SIDELIGHTS OF THE CONVENTION

THE GRAND SIRE'S VISIT

The outstanding feature of the annual convention was the official visit of Hon. Wm. F. Jackson, of Kansas, the Grand Sire of the World of Odd Fellowship, on the first day of the session.

Brother Jackson arrived about 10:30 and was formally received by the Grand Lodge. A noon-day luncheon was held at the Hotel Olds in honor of the distinguished guest, which was attended by present and past officers of the Grand Lodge, Rebekah Assembly, Grand Encampment, Department Council Patriarchs Militant and Ladies' Auxiliary to the number of 80 or more. Following the luncheon the Grand Sire spent an hour in conducting a most interesting and instructive conference, which was greatly appreciated by all who were privileged to be present.

At 1:30 in the afternoon an audience of 1,200 or more Odd Fellows and Rebekahs from every section of the state gathered at the Prudden Auditorium and for nearly an hour they were spellbound by a masterful, eloquent, inspiring address by Grand Sire Jackson, his subject being, "The Road."

Brother Jackson has a most pleasing personality and the representatives of Michigan Odd Fellowship who were privileged to see and hear him will cherish delightful recollections of his visit.

THE GET-TOGETHER BANQUET

A most delightful function was the "Get-Together Banquet," participated in by the officers and representatives of the Grand Lodge and Rebekah Assembly, at the Masonic Temple, the early evening of the first day's session. The affair was something of an experiment, being the first banquet of any magnitude ever attempted in conjunction with the annual convention. That it was a pronounced success was evidenced by the 900 happy banqueters who "rubbed elbows" at the long rows of tables which filled the spacious dining-room. The ladies of the White Shrine served the meal, which was satisfactory and satisfying in all respects.

Past Grand Master "Dolly" Gray took charge of the after-dinner program, hence it is needless to say there were no idle

moments. An orchestra composed of students at the State School for the Blind played several selections and two young lady graduates of the School delighted the audience with vocal duets. Grand Chaplain Keefer led in community singing and also gave two humorous readings.

The high-light of the occasion was the splendid fraternal address by the honor guest of the evening, Governor Wilber M. Brucker, himself an Odd Fellow, who was introduced by Grand Master Dow. Brother Brucker was greeted most cordially, and was given an ovation at the close of his address.

OTHER FUNCTIONS

Rev. Fred W. Ingvaldstad, pastor of the Central Methodist Church, conducted a special service on Sunday evening, the 16th, which was largely attended by members of the Order. He delivered a fine sermon, his subject being, "The Good Samaritan."

Monday evening, the 17th, Jacobs Rebekah Lodge, of Sturgis, exemplified the Rebekah Degree in a most creditable manner in the presence of a large audience.

Tuesday evening, the 18th, Collins Rebekah Lodge, of Wayne, conducted a beautiful and impressive memorial service for those who had passed on during the year. Eulogies were given for Sister Lydia M. Peef, Past President, and for Brother Fred Cutler, who was Grand Treasurer of the Grand Lodge for a quarter of a century.

Following the memorial service the Decoration of Chivalry was conferred on a large class of Rebekahs by the Patriarchs Militant, under the direction of Department Commander T. Calvert Crowe.

The ceremonial was followed in turn by a reception to Sister Carrie Blanchard, Assembly President, and her official family. Then an informal dancing party was indulged in by those who felt the big day should be rounded out to the fullest extent, and they even got a good start on the next day.

Assembly President Blanchard entertained her family of officers at a delightful luncheon at the Hotel Olds on Wednesday, the 18th, and the Past Presidents of the Assembly also enjoyed an informal luncheon together on that day.

By Representative Wm. Bryant, Western Lodge No. 370:

Whereas, The per capita tax assessed against the several lodges for the operation of the Home at Jackson has become to be quite a burden, especially so during the present business depression, and

Whereas, The Superintendent and Matron of said Home receive their house rent, fuel, light, food, etc., in addition to their joint annual salary of \$3,500.00; therefore be it

Resolved, That the Home Board be and is herewith directed to place the joint annual salary of the Superintendent and Matron of the Home, at not to exceed \$2,500.00.

Referred to Committee on Odd Fellow Home.

PROPOSITION NO. 7—1932 SESSION

By Representative Jos. Klein of Palestine Lodge No. 542:

Whereas, The Sovereign Grand Lodge in the 1931 annual session adopted an Emergency Law permitting Subordinate Lodges, under certain conditions, to remit or cancel the dues of a member, and

Whereas, In the event of a member's dues being so remitted or cancelled, the Subordinate Lodge is compelled to pay the usual per capita tax to the Grand Lodge on such member, and

Whereas, The Subordinate Lodges are finding it exceedingly difficult to operate due to the non-payment of dues and the additional relief they are called upon to extend on account of so many of the members being out of employment through the business depression; therefore be it

Resolved, That this Grand Lodge be and is herewith requested to consider the advisability of cancelling the per capita tax due on such members of the Order for the same period of time that the Subordinate Lodges have cancelled such members' dues.

Referred to Committee on State of the Order.

PROPOSITION NO. 8—1932 SESSION

To the Grand Lodge, I. O. O. F., of Michigan:

PROPOSITION NO. 9—1932 SESSION

Communication from Rebekah Assembly, presented by Sisters Jessie Weage, P. P., and Carrie Taylor, P. P., as a committee from the Assembly to the Grand Lodge.

To the Officers and Members Rebekah Assembly of Michigan:

Whereas it has come to our attention that an amendment to the By-Laws of the Grand Lodge is to be presented at this session of the Grand Lodge, that aims to reduce the number of members on the Home Board from five to three, which would give the Rebekah Assembly only one member and,

Whereas in view of the following facts this does not seem for the best interests of our Home,

1. That an institution as large and needing as careful management as our Home, should not be governed by a board of so small a number, as with only three members, it would often be difficult to have a quorum.

2. That all other jurisdictions have boards as large as our present Board and many of them even larger.

3. That a reduction in the number on the Board would not mean a reduction in costs of operation, but would rather tend to an increase in these costs, as it would necessarily result in an increase in the cost of investigations of cases, as all cases should be investigated by the Board Members and with only three members, the Board Members would have to travel greater distances to make the investigations.

4. That inasmuch as the first movement towards the institution of a Home was started by the Rebekahs, they certainly should have at least two members on the Board of Management.

5. That inasmuch as the Rebekah Lodges are constantly contributing to the Home, fruit, clothing, bedding, rugs, and money and raising special funds, they should be given more representation rather than less.

6. That in view of their membership, and the amount paid in tax for the support and maintenance of the Home, that they should have at least two members on the Board;

7. And inasmuch as the Rebekah Assembly in session has voted to pay expenses to the Board meetings and to the Annual Convention of the Rebekah Assembly, of the members of the Home Board from the Rebekah Assembly, provided the Assembly retains its two members on the Board;

Be It Resolved, That this Rebekah Assembly hereby register our protest against any change whatsoever in Sec. IV, Art. 3, of the Grand Lodge By-Laws relative to the election of Board Members, and be it further

Resolved, That our President appoint a special committee to present this protest, Sisters Jessie A. Thompson, P. P., Emma Tobin, P. P., Jennie W. Pilkey, P. P., Laura L. Gillette, P. P., Lizzie Palmer, P. P., Mollie E. Crowe, P. P., Carrie B. Rogers, P. P., Addie Smith, Treasurer, Stella McClymont, P. P., Lottie E. Mekeel, P. P., Libbie Tutewiler, P. P., Jessie L. Weage, P. P.

Referred to Committee on Legislation.

REPORT OF ODD FELLOWS FUNERAL AID ASSOCIATION

Lansing, Mich., October 1, 1932.

Thomas D. Dow,
Grand Master, I. O. O. F.,
Stanton, Mich.

My Dear Grand Master:

In compliance with the rules governing the Odd Fellows Funeral Aid Association, I herewith present my report of the financial condition of the benefit fund and of the membership of the association for the year ending September 30, 1932:

New members and reinstatements	87	
Died paying No. 14 for September		1

Benefit Fund

Collected on Contribution No. 10		\$2.00
Collected on Contribution No. 11		1,560.00
Collected on Contribution No. 12		1,539.00
Collected on Contribution No. 13		1,447.00

It will be noted that whereas the last report showed an overdraft of \$1,070.00, this report balances that amount and still leaves a small surplus. It will also be noted that this report shows collections for four periods. This was occasioned by the fact that Contribution No. 11 was in process of collection at the time the last report was made, so nothing was credited in the last report and the whole amount taken into account with this report.

B. F. Snyder, Lodge No. 57, Dowagiac, died Sept. 17, 1932 ..	200.00

Total benefits paid to October 1.....\$5,870.00

The association suffered its greatest losses during the past year than for any year since the association was started. The answer is apparent to all. The fact that we have balanced our benefit fund with a surplus for the year with every claim for benefits paid, places the association in a position to go into the new year well equipped for carrying on this splendid work. And even though the cash on hand at the present report is small, all claims for benefits will be paid immediately on presentation of proof of death.

It would be very helpful to the success of the association if each representative would present this report to his or her lodge, advising the lodge members of the purposes of the association. I will gladly send data to any lodge or individual member upon request.

Proof of claims paid and cancelled checks in payment of benefits are hereto attached.

Fraternally yours,

MYLES F. GRAY,

Secretary-Treasurer.

Your committee recommends that for the ensuing year the Grand Master and the Grand Secretary be authorized to draw general fund warrants on the Grand Treasurer and at such times and in such amounts as may be necessary for the proper transaction of the Grand Lodge in the aggregate not over twenty thousand dollars (\$20,000.00), provided that before a warrant shall be drawn, except such item or items as are covered by resolution of this Grand Lodge or were fixed by law, the indebtedness incurred thereby shall be covered by a detailed statement of such account filed with the Grand Secretary.

REPORT OF COMMITTEE ON JUDICIARY

To the Grand Lodge, I. O. O. F., of Michigan:

Your Committee on Judiciary to whom was referred the decisions of the Grand Master, beg leave to report as follows:

Your committee after considering decision No. 1 as appears on page 6 of the Grand Master's report find it necessary to reverse his

decision. The answer should be, "If appointment was made by Noble Grand and understood to be final and not for show only, substitute would be installed; otherwise, no installation was had."

With reference to decision No. 2 as appears on page 6 of the Grand Master's report, your committee find it necessary to reverse his decision on question No. 1. The answer should be "Yes."

Your committee concur in decision to second question which is "No."

Your committee find it necessary to reverse his decision on question No. 3. The answer should be "Lodges can take no action on it, more than to receive, record it in the minutes, and (if the brother requests it) make out and deliver to him a legal certificate of resignation."

The Grand Master has agreed with the committee.

There was one other matter which was presented to your committee for action, but it was one which your committee felt did not belong before this Grand Lodge. The chairman of this committee has interviewed the party presenting the same and has his permission to return the documents to the Deputy Grand Master. This our chairman has done and the matter is closed as far as this session of the Grand Lodge is concerned.

REPORT OF THE COMMITTEE ON APPEALS

In the Matter of the Appeal of

John B. Cadwell

vs.

REHEARING

Calumet Lodge No. 134.

To the Grand Lodge, I. O. O. F., of Michigan:

This is a report of the above entitled case on a rehearing.

At the 1931 session of the Grand Lodge, John B. Cadwell, a member of Calumet Lodge No. 134, filed an appeal from certain actions of said Calumet Lodge, which may be stated in brief form as follows: Illegal suspension, and, for relief claimed, due and unpaid.

The matter came on for hearing before the Committee on Appeals at the 1931 session of the Grand Lodge, and after due consideration of all the evidence and the record presented to the committee, a report was made to the Grand Lodge, which was adopted. (See pp. 48, 49, 50 and 72, Journal of Proceedings, 1931 session.) From this action of the Grand Lodge appellant Cadwell has appealed to the Sovereign Grand Lodge.

In his notice to the Grand Lodge that he would appeal to the

Sovereign Grand Lodge, said Cadwell set forth six assignments of error. In compliance with the law, the Committee on Appeals met for the purpose of settling a statement of facts. Assignment of error No. 4 set forth the claim that appellant Cadwell had not received notice of the time and place when the Committee on Appeals would meet at the session of the Grand Lodge in 1931 in time for him to appear, as provided by law. The Committee on Appeals sustained this contention, and presented to said appellant Cadwell an option to have his appeal reheard by the Committee. Appellant Cadwell accepted this option, and the Committee on Appeals met to rehear the appeal. Legal notice was given to both appellant and appellee, which was duly acknowledged, but neither party appeared.

After a thorough study of the record and all the evidence before the Committee, we find there are but two questions at issue:

First—Was John B. Cadwell legally suspended on December 30, 1930?

Our decision is No. It was not only proved by the record, but the lodge admitted the facts.

Second—Was John B. Cadwell entitled to stipulated weekly sick benefits or relief as claimed from January 1, 1926, to December 30, 1930.

Our decision is No. Our decision is based on the law. During the time for which claim is made for money due, the law in Michigan prohibited subordinate lodges from paying stipulated weekly sick benefits. So that as a matter of law no member could legally claim any stipulated weekly sick benefits. Any contributions made by a subordinate lodge to any of its members must be regarded as relief, and the amount paid, or the length of time in which it was paid, was wholly within the discretion and jurisdiction of the lodge.

We therefore recommend:

That the appeal of John B. Cadwell vs. Calumet Lodge No. 134, insofar as it applies to his suspension on December 30, 1930, be sustained, and that such suspension be declared null and void.

That the appeal of John B. Cadwell vs. Calumet Lodge No. 134, insofar as it applies to his claim for stipulated weekly sick benefits or relief, be not sustained, and the relief therein prayed for be denied and the appeal dismissed.

We submit the following resolution:

Resolved, That the report of the Committee on Appeals in the matter of the appeal of John B. Cadwell vs. Calumet Lodge

No. 134, be adopted and the recommendations contained therein be confirmed.

All of which is respectfully submitted.

APPEAL OF PONTIAC LODGE NO. 82

Pontiac, Mich., October 4, 1932.

To the Grand Lodge of Michigan, Independent Order of Odd Fellows, Lansing, Michigan.

Dear Brothers:

We wish to submit to this session of the Grand Lodge our problem of member defalcation, and at the same time register our dissatisfaction with its treatment to date by our Grand Secretary and our Grand Master.

The history of this defalcation is cited herewith for your review in the hope that a just consideration will be given us so that we may be able to pay our Grand Lodge dues and be allowed representation in the Grand Lodge.

On January 23, 1929, we elected Guy Miexsell to our board of trustees to fill a vacancy caused by a resignation, his term of office to expire January 1, 1932. That at the time of his election he was also treasurer of the Lodge, which office he held until on or about the 11th day of May, 1932.

On July 18, 1929, Five Hundred Dollars of the funds of the Lodge was invested in Certificate of Deposit No. 511 issued by the Pontiac Commercial and Savings Bank of Pontiac, Michigan. This certificate of deposit was left in the possession and under the control of the trustees of this Lodge. This certificate of deposit nor the money represented thereby was never turned over to this Lodge by its trustees, but on the contrary, after the expiration of Mr. Miexsell's term of office as trustee an investigation showed that

the certificate of deposit was cashed by Guy Miexsell on July 2, 1930, for \$520.00 without accounting to the Lodge therefor.

On December 28, 1929, Five Hundred Dollars of the funds of the Lodge was invested in Certificate of Deposit No. 520 issued by the Pontiac Commercial and Savings Bank of Pontiac, Michigan. This certificate of deposit was left in the possession and under the control of the trustees of this Lodge. This certificate of deposit nor the money represented thereby was never turned over to this Lodge by its trustees, but on the contrary, after an investigation was made following the expiration of Mr. Miexsell's term of office as trustee, it was found that said certificate of deposit had been cashed by Guy Miexsell on May 28, 1931, for \$528.33 without accounting to this Lodge therefor.

While Guy Miexsell was acting as trustee as aforesaid, there was in the possession and under the control of the trustees of the Lodge two Liberty Bonds of the value of \$50.00 each. The proceeds of said bonds nor said bonds were never turned over nor accounted for to this Lodge, but on the contrary after Mr. Miexsell's term of office as trustee expired said bonds were found to be missing.

Claim

A bond of One Thousand Dollars having been issued by your Grand Lodge covering the trustees of this Lodge during the time the defalcation actually took place and during the time when the defalcation was discovered, and the officers of this Grand Lodge having been promptly notified of such defalcation after its discovery, it is the desire of this Lodge to appeal to the Grand Lodge from the decision of the Grand Lodge officers in denying this claim.

This claim is for One Thousand Dollars covering shortages of the trustees of this Lodge in the sum of One Thousand One Hundred Forty-eight Dollars and Thirty-three Cents as above set forth.

It is the contention of this Lodge that the defalcations herein set forth occurred by reason of the inattention of two of our trustees which resulted in permitting the other trustee to convert the funds of the Lodge without properly accounting therefor.

We pray your careful consideration to our appeal because the future of our Lodge now stands on the brink of disaster.

Should the claim of our Lodge be denied by this Grand Lodge, we respectfully ask that the reason for your action be stated in

order that future action of this Lodge may be governed accordingly.

Respectfully submitted,
Yours fraternally,
WESLEY McKENZIE,
Recording Secretary, Pontiac Lodge No. 82,
Independent Order of Odd Fellows.

Referred to Committee on Appeals.

REPORT OF THE COMMITTEE ON APPEALS

To the Grand Lodge, I. O. O. F., of Michigan:

The matter of the appeal of Pontiac Lodge No. 82 against the action of the Executive Committee of the Grand Lodge in denying the claim by Lodge No. 82 for an alleged defalcation by the trustees having been referred to this Committee by the Grand Lodge, has been duly considered. After careful consideration of the appeal and after careful hearing of testimony from the Grand Master, Thomas D. Dow, and Grand Secretary, Fred A. Rogers, who acted for the Executive Committee in the matter appealed about and from Brother Ed Vanderworp of Pontiac Lodge No. 82, who was delegated to represent that Lodge in this matter and after careful examination of the bank book and other records, this Committee would respectfully report as follows:

First—There appears to have been a bond in the sum of One Thousand (\$1,000.00) Dollars on the trustees of the said Lodge from the year 1925 to January 1, 1932, and a further bond of Three Hundred (\$300.00) Dollars upon the treasurer of the said Lodge from the year 1925 to 1929, and a bond in the sum of \$250.00 for the years 1930 and 1931.

Second—That the Board of Trustees consisted of three members of the said Lodge, of whom Guy Miexsell was one member from January 23, 1929, until January 1, 1932. That during all of said period and continuing until May 11, 1932, the said Guy Miexsell was also the treasurer of the said Lodge.

Third—It appears that funds of the Lodge in the custody of the Board of Trustees were invested in certificates of deposit in the Pontiac Commercial & Savings Bank and that from time to time the said certificates of deposit were cashed by the said Board of Trustees (either under direction of the Lodge or at least without objection being raised) and the bank records show that one certificate of deposit was cashed on or about January 1, 1930,

and the sum of \$520.00 was received therefor and this amount, together with the additional sum of \$100.00, was deposited in the account of the treasurer of the Lodge. This additional \$100.00 evidently must have been the money received by the trustees for the two \$50.00 Liberty Bonds, of which mention is made in the appeal as having been found missing. The total deposit in this particular instance being the sum of \$620.00.

That on or about May 29, 1931, another certificate of deposit was cashed by the trustees and the sum of \$528.33 was deposited in the bank account of the treasurer. That on or about August 27, 1930, another certificate of deposit was cashed by the trustees and the sum of \$520.00 was deposited in the bank account of the treasurer. That on or about November 12, 1930, another certificate of deposit was cashed by the said Board of Trustees and the sum of \$516.67 was deposited in the bank account of the lodge treasurer. And that on or about January 21, 1931, another certificate of deposit was cashed by the Board of Trustees and the sum of \$520.00 was deposited in the bank account of the lodge treasurer.

It thus appears that all monies of the Lodge held by the Board of Trustees were duly accounted for as having been turned over to the treasurer of the Lodge. There appears to have been some question as to the method of handling these transactions. And that some members of the Trustee Board may not have been acquainted with the actions taken regarding the funds in their possession but no objection seems to have been raised nor do we find any evidence that there was any failure upon the part of the trustees as a Board.

Fourth—That the depository of the funds of the treasurer was the Pontiac Commercial & Savings Bank of Pontiac, Michigan. That this bank went into receivership on or about the first of June, 1931. That for several months after this bank went into receivership, the Lodge was unable to get access to the bank records or to determine the condition of its account. That on or about the first of May, 1932, the Lodge had obtained the records of the bank and found a considerable shortage in the funds which should have been in the hands of the said Guy Miexsell and on deposit in the said bank.

It appears that the bank account showed a balance of about \$318.00 which was about \$100.00 less than what should have been in the account and that two certificates of deposit in the aggregate sum of \$1,048.33 should have been also in his hands. That the complaint was made under the bond to the Grand Lodge and that the Grand Master and Grand Secretary representing the Executive Committee attended a meeting of the said Lodge No.

82 on May 11, 1932, at which time the matter was carefully considered and discussed by both the said Executive Committee members and by the lodge membership. That the Executive Committee members decided that the Grand Lodge bond did cover the failure of the depository to the full sum of the treasurer's bond, being \$250.00. That the said Executive Committee members further decided that there was no responsibility under the bond of \$1,000.00 on the trustees. That on May 12, 1932, claim papers and assignment of claim against the failing depository were forwarded to the Lodge by the Grand Secretary and that the sum of \$250.00 being the full amount of the bond on the treasurer, was paid by the Grand Lodge on May 19, 1932, and a letter of acknowledgment received from the Lodge on May 25, 1932.

Fifth—On October 4, 1932, Pontiac Lodge No. 82 submitted its appeal against the action of the Executive Committee in denying recognition of liability under the \$1,000.00 bond on its Board of Trustees and made the claim for payment of \$1,000.00 covering shortage of the trustees in the sum of \$1,148.33.

We therefore respectfully submit to this Grand Lodge that we find no evidence to justify any claim of shortage by the trustees of this Lodge but that our investigation shows all of the shortage was by reason of defalcation and misappropriation of funds by the treasurer of the Lodge. That the said treasurer has acknowledged his shortage in the sum of \$1,148.33, for which he has promised to reimburse the Lodge as soon as he is in a position to do so. That he has already reimbursed the Lodge in the sum of about \$100, which covers the additional amount which the Lodge's records show should have been in the bank account at the time of the failure of the depository.

We therefore recommend that this appeal be denied and that no further bonding responsibility should be recognized in this matter by this Grand Lodge.

We further recommend that Pontiac Lodge No. 82 should take whatever action it deems best in regard to recovering the amount of the defalcation by its then treasurer, the said Guy Miexsell.

Respectfully submitted,

RICHARD A. MAC RAE, Chairman.

REPORT OF COMMITTEE ON STATE OF THE ORDER

Of the state of our Order in general we have this to say, that while the loss of membership is disturbing and while our financial stress is embarrassing, the co-operation and unshaken faith and confidence of the majority of our members is, indeed, refreshing, so that even in the face of the bitter discouragements of the past year, we are not without hope.

The situation in which we find ourselves is one of the many problems of a depression which has affected the entire world and weakened the very foundations of individuals, organizations, states and nations, during a period of the severest hard times within the memory of most men today. Such a time is one which calls for courage of thought and action, and is not the time for the calamity howler, nor the time to sacrifice our Order or anything which we own today, but rather do we feel that we should face the situation with a firm determination to press on with renewed zeal and strong vigor, realizing that the seeds of prosperity are sown in the days of depression.

It is refreshing to us to observe the improved change of sentiment, evidenced in many ways. The more favorable general business situation adds encouragement and while admittedly we are certainly still in a depression period, we believe we have at least passed the panicky time and made a start on the road which shall lead us to recovery in the early months which are before us.

We concur in the summary of conditions of world-wide Odd Fellowship as expressed by no less an authority than Past Grand Sire Powley in his annual report. We believe that it can be applied in great measure to the situation of our own Grand Lodge and our constituent subordinate lodges throughout the state, and we direct the special attention of all members to his well put statements referred to under the caption "State of the Order" in the report of our Grand Representatives.

RESOLUTION

Myles F. Gray, P. G. M., moved a recommendation that the 1933 annual session of this Grand Lodge be a two-day session.

Adopted.

RESOLUTION

By Representative Arthur Clarke, Lodge No. 215:

Resolved, That the sum of \$35.00 be appropriated for music in connection with the conferring of the Degree of Chivalry at the 1933 session.

Not adopted.

REPORT OF FINANCE COMMITTEE

Whereas, The tying up of the funds of this Grand Lodge presented the problem of devising ways and means of paying the expenses of the holding of the 1931 session of the Grand Lodge, including the per diem and mileage to be paid the officers and representatives of this Grand Lodge; and

Whereas, The constitution of this Grand Lodge provides that

whenever the funds of the Grand Lodge shall fail, the deficiency shall be made up by assessment levied on the subordinate lodges; and

Whereas, It was the best judgment of the said executive committee that any action resulting in placing a further or greater financial burden on the subordinate lodges at this time would result in serious detriment to the Order in Michigan; and

Whereas, In lieu of recommending the spreading of a special assessment it was the best judgment of the Executive Committee that they should recommend the probable inability of the Grand Lodge to pay the officers and representatives the mileage authorized to be paid by the constitution of this Grand Lodge; and

Whereas, There is now no doubt but what the Grand Lodge will realize full value on the investments made by the Grand Lodge if we will move cautiously and not force the sale of said bonds at the present time; therefore, be it

Resolved, That we commend the Executive Committee for placing before the subordinate lodges the serious news of the financial conditions of the Grand Lodge, even though its action seemed drastic and without authority; and be it

Further Resolved, That the committee on Per Diem and Mileage be, and they hereby are, instructed to compute the per diem and mileage to be paid officers and members of this Grand Lodge, in the manner provided by the Constitution of this Grand Lodge, and submit to this Grand Lodge a report covering the several amounts due as herein stated, and that warrants be drawn for the payments of said per diem; and be it further

Resolved, That a full and complete report be made by the said committee of the amount due each officer and representative for mileage, and that the Grand Secretary be directed to carry said amounts as Accounts Payable, and whenever in the judgment of the Executive Committee, sufficient funds are in the treasury of the Grand Lodge to meet said accounts, the Grand Secretary shall remit to each one entitled thereto, a warrant on the Grand Treasurer of the Grand Lodge to cover such indebtedness in full, and the Grand Treasurer shall pay the same when presented.

PHILIP A. CALLAHAN,
CHAS. F. KLUMP,
HARRY E. CURTIS,

From the Same Committee

To the Grand Lodge, I. O. O. F., of Michigan:

Signed by the Committee.

Adopted.

PROPOSED CONSTITUTIONAL AMENDMENT

Resolved, That Section 4 of Article II of our Constitution be amended by substituting the word "four" for the word "five" at the beginning of the third line, and the word "three" for the word "four" at the beginning of the fourth line, so that said Section will read:

"Section 4. Per Diem and Mileage. Each member of this Grand Lodge shall be paid, from the funds of the Grand Lodge, four dollars per day, while in actual attendance at its sittings, and three cents per mile traveling expenses to and from its place of meeting, to be computed via the nearest route, traversed by any public carrier, from the place of meeting of the lodge to which the member belongs."

APPENDIX A

Report of Grand Lodge Officers

GRAND MASTER'S REPORT

Officers and Representatives:

Pursuant to the laws of the Order I respectfully submit to this Grand Lodge a report of my official acts during the past year.

The adverse conditions which have afflicted our Fraternity for the past few years still continue and as a consequence many lodges find it difficult to carry on.

The Grand Master and other Grand Lodge officers have continued the plan of visitations, believing that we could thus best keep Odd Fellowship before the members of the lodges and communities. In carrying out this plan, the Grand Master made one hundred and fifty visits and many more were made by the other officers. I believe the result has been good and that the spirit of defeat is not as prevalent but has been supplanted by a spirit of optimism. That there is a sincere effort on the part of the Lodges to make membership in our Fraternity mean more in the lives of the brothers, I am thoroughly convinced. If our present difficulties can bring about a higher conception of the meaning of ODD FELLOW it will be worth all it has cost us.

OFFICIAL LETTERS AND PROCLAMATIONS

The usual proclamations and the necessary official letters were sent out as required. Grand Secretary Rogers attended to the printing and mailing of these.

DEATH OF GRAND TREASURER FRED CUTLER

On March 14 we were saddened by the sudden death of Brother Fred Cutler at his home in Ionia. Brother Cutler had been in poor health for some time but his death came as a great shock to our Fraternity, which he had served as Grand Treasurer since

1907. Before his health failed Brother Cutler was an active and devoted Odd Fellow, always ready to give of his time and ability as a speaker for the betterment of our Brotherhood. He fell asleep peacefully while sitting in his chair and was laid to rest March 16 in a crypt in the beautiful mausoleum in the Ionia cemetery beside his wife, Sister Allie Cutler, who was a Past President of the Rebekah Assembly of Michigan. Peace to his ashes.

BRUCE C. ROGERS APPOINTED GRAND TREASURER

To fill the vacancy caused by the death of Grand Treasurer Cutler, I appointed Brother Bruce C. Rogers, of Lodge No. 441, Detroit, and he has discharged the duties of that office in a most satisfactory manner.

APPEALS FOR AID

During the year two appeals were sent out to the membership in Michigan. At the request of Grand Sire Powley, who cited the destitute condition of our German brethren, we asked for donations for their aid. Realizing the depleted condition of our finances due to loss of membership we asked for donations for the Home at Jackson. The amounts sent in response to these appeals were sent to Brother Fred A. Rogers, Grand Secretary, who will make report of the results.

GRAND SIRE'S CONFERENCE

A delightful and instructive Conference was held in Lansing on April 7, 1932. It was conducted by Brother Wm. Brooks, Grand Secretary of Ontario, as representative of the Grand Sire. This conference was attended by a large number of officers and past officers of all branches of the Order.

DECISIONS

Most of the questions I was asked this year could be and were answered by citing the questioner to the law.

Decision No. 1:

Question—On the night of installation an appointive officer is absent, a substitute is used for the purposes of the installation. Who is installed, the absent officer or the substitute?

Answer—Neither.

Amended by striking out the answer and inserting in lieu thereof the following: "If appointment was made by Noble Grand and understood to be final and not for show only, substitute would be installed otherwise, no installation was had."

Decision No. 2:

Statement—A member in good standing, with his dues and assessments paid in full to date, owing the lodge a sum of money which he had borrowed and for which the lodge holds his promissory note, which said note is not yet due, tenders a written resignation to the lodge of his membership in the lodge, which is duly read in open lodge and made a part of the minutes of the meeting.

Questions: (1) Is his membership terminated? (2) Would the fact that the member owes the lodge this borrowed money be sufficient cause to declare the resignation null and void upon the grounds that the money so loaned was a legal pecuniary charge against him? (3) Can the member withdraw his resignation at the next meeting or any other meeting thereafter?

Answers: (1) If the lodge is in doubt as to whether the member is entitled to a resignation certificate it may hold the granting of such certificate until it satisfies itself of the member's right to such certificate. (2) No. (3) The member may withdraw his resignation at any time previous to his being granted a resignation certificate.

Answer No. 1 amended by striking out and inserting in lieu thereof the word "Yes."

Answer No. 3 amended by striking out and inserting in lieu thereof the following: "Lodges can take no action on it, more than to receive, record it in the minutes, and (if the Brother requests it) make out and deliver to him a legal certificate of resignation."

CONCLUSION

As have my predecessors for many years, I wish to express my indebtedness to Grand Secretary Rogers for his unfailing assistance and advice, for his charity toward my shortcomings, and in spite of the burdens he is carrying outside of his office, his readiness to do anything at any time to advance the cause of Odd Fellowship.

My thanks also go to Past Grand Master Gray for sound counsel and valuable assistance.

To the Grand Patriarch and other officers of the Grand Encampment, to the President and other officers of the Assembly, and to the officers of the Patriarchs Militant, both chevaliers and ladies, I am much indebted for help and cooperation toward making the year successful.

The spirit of cooperation has been beautiful this year and I am sure that the continuance of that spirit can't help but bring our beloved Fellowship back to its place in the sun.

To the Grand Lodge "family" who have worked so loyally through these difficult times to keep the Odd Fellowship on an even keel, goes all my thanks and appreciation together with the assurance that I will be ready to render them any assistance in the future that is possible.

Fraternally submitted,

Thomas D. Dow

Grand Master.

GRAND SECRETARY'S REPORT

To the Grand Lodge, I. O. O. F., of Michigan, Assembled in its
Eighty-eighth Annual Session:

Officers and Members:

As your Grand Secretary I am pleased to present herewith for your consideration my annual report for the fiscal year ending September 30, 1932.

The reports of the Grand Lodge Officers and of the Home Board of Management afford a comprehensive history of Michigan Odd Fellowship for the year, and at the same time offers food for thought and action by the representatives here assembled.

STATE OF THE ORDER

Another year of human effort has passed and its record, in large part, has been written indelibly with tears of anguish of countless thousands of worthy men and women, because of shattered hopes and dire distress.

Nothing could give me more pleasure, fraternally, than to be able to write cheerfully and optimistically of present-day conditions of our beloved Order in Michigan. Even though the present outlook is discouraging in the extreme, I have faith that we will eventually come through with flying colors. He who provides the panacea for the ills that beset Odd Fellowship at the present time will be, indeed, a hero.

While our membership in Michigan has decreased one-third in the past decade, I make bold to impress upon you that while numerical strength is always desirable, it is not the real sinew of Odd Fellowship. One brother imbued with duty to his lodge and service to his fellow man is of far more value than a hundred who are totally indifferent to a fulfillment of the enduring principles of Friendship, Love and Truth.

It is deplorable that so many members have no apparent interest in the lodge that received them at its altar and honored them in so doing. At the same time it is a keen pleasure to note that despite these laggards there are many splendid fellows throughout the jurisdiction who are putting forth herculean efforts to keep their lodges on the map of fraternity. Service is a voluntary proposition and cannot be legislated into a member. We would not be suspending ten members for every one initiated, had those who have fallen by the wayside given serious meditation to the lessons they received.

The Odd Fellow who belongs for pleasure and selfish benefit has nothing to offer for progress and is a liability rather than an asset. It is easy enough when things are moving along smoothly but it is when darkness and doubt beset us that the souls of men are tried.

After an active association of more than forty years in this beloved fraternity, I am still firm in the belief that its tenets and principles are undying. The need of the hour is a renewal of faith and a whole-hearted, collective effort to again place Michigan Odd Fellowship in the blazing sun of fraternity.

GRAND SIRE'S CONFERENCE

Brother William Brooks, Grand Secretary and Special Deputy Grand Sire, of Ontario, was delegated by Grand Sire Powley to conduct a conference with the Grand Officers of all Branches of the Order in Michigan. The conference was held at the Hotel Olds, Lansing, on April 7th, being well attended by the "Official Family." Brother Brooks was at his best and his advice and suggestions were listened to with much interest.

Pride of Ingham Rebekah Lodge entertained the Grand Officers at dinner, which was followed by a social evening.

REDUCED RAILROAD RATES

The Central and Western Passenger Associations have granted reduced railroad rates the same as in former years, same being under the certificate plan. Notice of the reduced rates, together with identification certificates, were mailed to all lodges in the jurisdiction on September 10th.

APPEALS

The appeal of John B. Cadwell vs. Calumet Lodge No. 134, which was heard and considered at the 1931 session, was given a re-hearing on September 17th by the Appeals Committee, a report of which will be made at this session. The appellant chose a re-hearing in preference to appealing his case to the Sovereign Grand Lodge.

EXECUTIVE COMMITTEE

The Grand Master, Deputy Grand Master and Grand Warden, who constitute the Executive Committee, have functioned principally by mail during the year. Conferences were held at Battle Creek, Jackson and Lansing. Authority or permission has been granted as follows:

To build or acquire property—

Lodge No. 509, Pullman.

To dispose of property—

Lodge No. 509, Pullman.

Lodge No. 484, Detroit.

To mortgage property—

Lodge No. 517, Fenwick.

Authorized sale of property of Bedell Lodge No. 148, defunct.

Authorized payment of \$25 to the school janitor at Petoskey for extra service during the 1931 session, same having been overlooked at the time.

Authorized adjustment of the various losses enumerated under the heading of "Surety Bonding System" in this report.

Ruled that lodge funds deposited in a Building and Loan Association may be bonded under the same regulations as those in a regular bank; also, that such officers as the Secretary and Treasurer of the Trustees may be bonded, as well as the Treasurer of the authorized Entertainment Committee of a lodge.

Authorized payment of mileage of Officers and Representatives in attendance at the 1931 session, checks for same being issued on August 18th.

Recommended that the 1932 session of the Grand Lodge be confined to two days, because of financial conditions.

Authorized an extension of time to lodges delinquent in forwarding reports and per capita tax, permitting all representatives to be seated whose lodges are free from indebtedness to the Grand Lodge at the opening hour of the session.

GRAND SECRETARIES' ASSOCIATION

Without expense to the Grand Lodge, I attended the annual meeting of the Grand Secretaries' Association the week of September 18th, in the city of Denver, being the same time and place as the annual session of the Sovereign Grand Lodge. Several very helpful sessions of the Association were held, and it was also my privilege to attend all sessions of the Sovereign Body.

PRINTING CONTRACT

The Hallenbeck Printing Co., of Lansing, was awarded the contract for printing the advance reports and the Journal of Proceedings, being the lowest of five bidders.

LITTLE LODGE DOES BIG THINGS

Bath Lodge No. 124, located in the little village of Bath, Clinton county, was instituted in 1868 and reached its peak membership of 70 in 1914. Then for 18 years the lodge did not have a single initiation and the membership dwindled to 17, practically all of whom were inactive.

Then something happened. One day last February an old-timer took a day off and rounded up eight young men who signed on the dotted line as applicants for initiation. He drove into the country for the fifth man to make a quorum for the meeting that night and the ball was in motion. The class was initiated on February 11th and all advanced to full membership on successive meetings. They were duly impressed with the degrees as conferred by neighboring lodges to the extent that another class of nine received the initiatory degree on April 6th and again all of the class received the remaining degrees within the month. The lodge also had three reinstatements and four admissions by card during the term, now having a working membership of 37.

The younger members have sponsored numerous activities and the lodge hall has developed into a real community center. All hail to such a revival and may others follow the example of Bath Lodge. It can be done.

SURETY BONDING SYSTEM

In reporting on the Surety Bonding System last year I stated that there had been "an unexpected drain on the fund during the year, owing to a spasm of bank failures." But that was a mere "flutter" as compared with the "spasm" of bank losses adjusted during the fiscal year just closed, as will be seen by the list that follows.

The following losses because of bank failures have been paid during the fiscal year, proof of claim and assignment of claim to the Grand Lodge having been made in each instance:

Lodge No. 548, Ypsilanti	\$136.90
Lodge No. 75, Buchanan	290.72
Lodge No. 340, Glendora	48.25
Lodge No. 139, Flushing	35.09
Lodge No. 285, Horton Bay	210.64
Lodge No. 447, Belding	220.93
Lodge No. 396, Wayne	101.91
Lodge No. 194, Vicksburg	68.20
Lodge No. 528, Memphis	185.91
Lodge No. 424, Royal Oak	81.00
Lodge No. 137, Grayling	152.46

Lodge No. 15, Schoolcraft	235.20
Lodge No. 457, Deckerville	404.97
Lodge No. 246, Dimondale	129.43
Lodge No. 395, Scottville	109.58
Lodge No. 553, New Buffalo	35.54
Lodge No. 260, Bay City	186.40
Lodge No. 327, Hart	16.18
Lodge No. 116, Inlay City	322.47
Lodge No. 385, Custer	69.14
Lodge No. 257, Edgewood	103.85

Lodge No. 426, Ferry	13.20
Lodge No. 82, Pontiac	250.00
Lodge No. 500, Trufant	115.84
Lodge No. 132, Benton Harbor	445.08
Lodge No. 307, Bellevue	73.27
Lodge No. 182, Copemish	12.82
Lodge No. 504, Rankin	200.00

Lodge No. 214, Dayton	\$98.20
Lodge No. 184, Vassar	345.68
Lodge No. 116, Imlay City	221.07
Lodge No. 226, Wallin	175.57
Lodge No. 541, Grand Blanc	371.05
Lodge No. 270, Milford	37.71
Lodge No. 499, Lawrence	33.59

Lodge No. 548, Ypsilanti, was reported in the list of losses last year, but the adjustment was not made till after the close of the fiscal year, hence is again reported this year.

The total amount of losses paid during the fiscal year just closed was \$5,991.12. Total receipts for renewal premiums and dividends on assigned claims were \$3,414.16, thus making an overdraft of \$2,576.96 on the cash account of the Bonding Fund for the year. Add to this the overdraft on the Fund last year, amounting to \$3,254.52, makes the cash account of the Bonding Fund "in the red" to the amount of \$5,831.48. The Bonding Fund still has securities to the amount of \$9,000, face value, but at the present market price it would be too great a sacrifice to dispose of them.

Only 150 of the 520 lodges in the jurisdiction have bonded their bank deposits under the provisions of the revised law governing the Surety Bonding System.

I am happy to report that the Grand Lodge has not been called upon to pay any claim by reason of a defaulting financial officer of any lodge during the year. But one such case was reported and the matter was adjusted between the lodge and the offending officer.

The following Lodges have failed to take out Grand Lodge Surety Bonds for the year 1932:

- Lodge No. 18, Paw Paw.
- Lodge No. 39, Edmore.
- Lodge No. 42, Fountain.

THE WALK-IN CLUB

The membership of Lodge No. 29, of Battle Creek, under the leadership of Past Grand Ray Baker, started an innovation in the way of visitations a few months ago, which has developed considerable interest and is worthy of emulation by other lodges.

The idea was for the lodge to walk in on another lodge without giving notice of the visit; to insist that there be no "eats"; to end the visit not later than 10 o'clock, and then the visitors to invite the visited to join in the next visitation. The stunt caught on to such an extent that now there are several of the Walk-In Clubs in southwestern Michigan, and without doubt

will be several more when activities of the winter season get under way.

As a "wind-up" of the spring activities, the original walk-in club visited Grand Master Dow at his home lodge in Stanton on May 20th, there being 75 visitors present, nearly all of whom drove a distance of 75 to 125 miles.

GERMAN RELIEF FUND

Last January Grand Sire Powley issued an appeal to Odd Fellowship throughout the World for financial aid to our distressed Brothers in Germany, stating that conditions had reached the magnitude of a disaster. In response to Grand Sire Powley's request, Grand Master Dow issued an appeal to Michigan lodges, requesting that they respond to the best of their financial ability. Forty-nine lodges sent contributions to the Grand Secretary, custodian of the fund, the total amount being \$260.20. This money was sent in two remittances to the Grand Secretary of the Sovereign Grand Lodge, who receipted for same. The list of contributing lodges is available for inspection by any who may wish to do so.

SPECIAL HOME FUND

In the "Suggested Program of Spring Activities" issued to all Branches of the Order, the month of March was designated as "Odd Fellows Home Month," with an urgent call for voluntary contributions to the maintenance fund of the Home. The response to this appeal for assistance was so pitifully small that Grand Master Dow sent a special letter to all subordinate lodges on April 1st, the result being a much more generous response.

Contributions were received from 122 subordinate lodges, 98 Rebekah lodges, 9 Rebekah district associations, 5 encampments, 7 P. N. G. Clubs, 1 sewing circle, 1 degree staff, 1 Theta Rho Club, 1 D. D. P. Club, 1 F. L. T. Club, combined subordinate and Rebekah lodges of Grand Rapids, and 3 personal. Total amount received and receipted for was \$2,261.42, which was credited to the Home Fund and forwarded to the Grand Treasurer.

An itemized list of the 1932 contributions to this Special Home Fund, as well as a complete list of the 1931 contributions, are available for inspection.

DELINQUENT LODGES

It is a most distressing duty that is mine to have to write into this record the fact that up to the time it went to the printer (October 12th) there were 82 lodges that have failed to send in their July report and per capita tax. A number of these are also delinquent in reports and per capita tax from two to six terms. Besides the 82 lodges delinquent in both report and per capita tax for July, there are 45 lodges that owe per capita tax in varying amounts totaling over \$5,000.

It is quite probable that these delinquencies will be reduced substantially before this annual session convenes, as the Executive Committee extended the time of payment until the opening hour of the session.

CONCLUSION

I would be remiss, indeed, if I failed to express my personal appreciation and thanks for the uniform courtesy and consideration extended to me from one and all throughout the year. It has lightened the burden more than words of mine can express.

As in the past, my associations with my associate officers have been most cordial and delightful, and the same is true with the officers of all the Branches. Cooperation and good-fellowship have been dominant at all times.

It has been an especial pleasure to be "in harness" with Grand Master Dow. There is no hesitancy on my part in asserting that he has been earnest and energetic in meeting the many demands made by Odd Fellowship upon his time and ability. He has the satisfaction of knowing that he did his best to deserve the honor conferred upon him, and it is my belief that his efforts will be amply rewarded by results to follow.

The record of this my twenty-second annual report to this Grand Lodge is written, and submitted for your consideration. May the deliberations of this session inspire the membership-at-large to renewed activity is my most earnest hope.

Truly and fraternally,

Fred A. Rogers

Grand Secretary.

GRAND TREASURER'S REPORT

To the Officers and Members of the Grand Lodge, I. O. O. F.,
of Michigan:

Brothers:

Complying with the laws of the Order, I herewith submit my report as Treasurer for the fiscal year beginning October 1, 1931, and ending September 30, 1932.

The report covers in detail the transactions of the General Fund, Home Fund, Home Endowment Fund (regular), Bonding Fund and Emergency Fund.

The funds deposited in the State Savings Bank, Ionia, seven thousand four hundred thirty-seven dollars and nine cents (\$7,437.09) are still tied up due to the closing of the bank, on September 12, 1931.

In compliance with authority granted at the 1931 session of the Grand Lodge the ten thousand dollars (\$10,000.00) worth of U. S. Liberty Bonds (General Fund Bonds) were sold and receipts placed in General Fund.

Since assuming the duties of Grand Treasurer on April 7, 1932, the surplus money in my keeping was put to work and has earned in interest, one hundred forty-nine dollars and sixty-six cents (\$149.66) which has been turned over to the Grand Secretary, Fred A. Rogers.

The Guardian National Bank of Commerce, (Uptown Office), Detroit, was selected as the depository for the funds entrusted to my safekeeping on April 8, 1932, and our business relations have been most pleasant.

In compliance with instructions given at the last session of the Grand Lodge, a balance sheet has been prepared of the General Fund and we hope that it meets with approval.

These several accounts covering the financial affairs of the Grand Lodge for the past year are of sufficient importance to merit the careful consideration of every officer and member of this Grand Lodge as well as the membership at large.

I can not close my report without paying my humble tribute to the memory of my good friend and brother, Fred Cutler, who for 25 years served this Grand Jurisdiction and this Grand Lodge as its Treasurer, so ably and efficiently. Words can not fully express his true worth as an Odd Fellow and a servant of his fellowman for his conduct and life bespeak anything that might be said.

To Grand Master Thomas D. Dow, am I truly thankful for the confidence reposed in me and the honor conferred by appointing me to fill the vacancy caused by the death of Brother Fred Cutler, Grand Treasurer. I hope that my efforts have met with approval and to all I extend my hearty thanks and appreciation for the courtesies shown me.

Fraternally submitted,

Bruce C. Rogers

Grand Treasurer.

GRAND REPRESENTATIVES' REPORT

To the Grand Lodge, I. O. O. F., of Michigan:

Your Representatives to the 108th annual session of the Sovereign Grand Lodge, held the week of September 18th, in the city of Denver, herewith submit a brief summary of the work of the session, together with mention of the features incident thereto.

SIDELIGHTS OF THE CONVENTION

Sunday Services

Special religious services were held Sunday forenoon at the City Auditorium. Rev. W. C. Smalley, Grand Chaplain of the Sovereign Grand Lodge, delivered the sermon.

In the afternoon the guests of the city were treated to a sight-seeing trip covering Denver and its neighboring environs.

Opening Exercises

The public reception took place Monday morning at the Trinity Methodist Church. Grand Secretary Van Tilborg, of Colorado, officiated as master of ceremonies.

Addresses of welcome were given by Lieutenant Governor Edwin C. Johnson, who is also Grand Warden of the Grand Lodge of Colorado; Mayor George Begole, Grand Master Prohs and Assembly President Mabel Coffey. Suitable responses were made by Hon. Joseph Powley, Grand Sire of the S. G. L., and Mrs. Amelia Blank, President of the Association of Rebekah Assemblies.

A Fine Parade

The big public feature of the week was the splendid parade that traversed the principal down-town streets of the city Wednesday afternoon. More than three thousand Odd Fellows and Rebekahs were in the parade, including the Patriarchs Militant, Subordinate and Rebekah lodges, Encampments, junior organizations of girls and boys, and the Officers and Representatives of the Sovereign Body and the Association of Rebekah

Assemblies. There were numerous bands of music and many beautiful floats. The stage coach, the covered wagon and the cowboys were in evidence in the parade and gave the visitors a realistic touch of the olden days of the "wild and woolly west." Many thousands of spectators lined the route of the parade and continuous rounds of applause evidenced their appreciation of the pageant.

Other Features

There were numerous delightful functions during the week, among them being the annual reception to the Grand Sire and his Official Family, followed by a ball; the reunion of Past Grand Representatives; Grand Decoration of Chivalry, followed by a military ball; degree ceremonials of all branches of the Order; banquets by the Patriarchs Militant, the Grand Secretaries and Grand Scribes, the Odd Fellows Press Association, and the Pinkerton Memorial dinner.

A real incident of the week was a motor trip to the crest of Lookout Mountain, which is the last resting place of Col. William F. Cody (Buffalo Bill), noted scout and Indian fighter of the early days.

STATE OF THE ORDER

Grand Sire Powley, in his annual report, summarizes conditions of world-wide Odd Fellowship as follows:

"In reviewing the conditions of the Order I am impressed with the many evidences of improved sentiment. The decade of selfishness through which we have passed has left its impress upon the Order by a material reduction in membership and we have been suffering from the psychological effect. Confidence is being restored and the Order is daily becoming stronger. The times through which we have been passing have been testing times. We have submitted to the fierce trial of the crucible. Much of the dross has been thrown off and we are today purer and better as the result. The greatest asset Odd Fellowship can have is the character of its members, the men who are imbued with the pure principles of our Fraternity, and who are endeavoring to live those principles, thus making their influence of inestimable value to the community.

"Let us remember the words of our lamented Pinkerton: 'Fraternalities, like men, are judged by what they do rather than by what they profess; judged by material, as well as by spiritual things; judged by the ideal wrought into the actual. As a nation

is measured by its citizenship, so is a fraternity, or a lodge, measured by the lives and conduct of those who compose it. You cannot separate the flag from the men who march beneath it. Interest in a lodge means interest in its membership. Charity must be more than a name; it must be a living presence. Truth must ever be an abiding force. Brotherhood finds its broadest expression not within the lodge-room, but in those outward places where its devotees live, meet and strive in the world at large—all serving—all served.'

"The real strength of our Order lies in those faithful members who not only profess but practice the principles that have made the Fraternity great in the past. With a steadfast confidence in the Order they are holding fast and with an untiring devotion they inspire the wavering to greater activity. The opportunities for service to humanity are great and I am glad to find that our subordinates have risen to the occasion and many a distressed brother has been helped by our ministrations. Existing selfishness and greed, strained economic and political conditions, at times almost overwhelm us. Fear tends to wear down the resistance of men and in the end, to sap the very foundation of their faith, but strength comes to those of unshaken confidence.

"We must not shrink in helpless resignation, but with heroic courage and an absolute trust in the principles of Friendship, Love and Truth, their adaptation for the promotion of good will among men and their fitness in the ministrations to the wants of the needy and suffering, press forward to the goal of ultimate success and greater happiness. If we are honest in our devotion to the work, if we are actuated by a real fraternal spirit a bright future lies before us. The sincerity, the zeal, the fidelity and brotherly sentiment of our fathers should inspire us to greater things. Let us be guided and directed by the supreme law of the Order, the ritual, and compliance with the supplemental law will be but a matter of form."

HOME BOARD OF MANAGEMENT REPORT

To the Officers and Members of the Grand Lodge and Rebekah Assembly, Independent Order of Odd Fellows of the State of Michigan:

Greeting:

Pursuant to the law, we, the members of the Home Board of Management, present herewith a complete report appertaining to the condition and operating expense of the Home for the past year, from September 15, 1931, to September 15, 1932.

During the year the Home Board of Management have needed and they have received the best of co-operation from the Superintendent and Matron in reducing the expenses and maintaining the Home in a splendid manner and we wish to call your attention to the figures for the operating expense for the past year. Compare the report of 1931 with the report of 1932 and you will find that about \$12,000 has been saved during the year. To make such a reduction has required considerable thought and study; reductions in salaries, outside maintenance and the discontinuance of the monthly allowance to the Home members, together with keen competitive buying, has been the cause of the greatest portion of the reduction. True, commodities are lower in price but caused only by the present conditions that has spread over the country. From personal observation we believe that the low level has been reached and do not anticipate any further reduction in the supplies that are required for the maintenance of the Home, although a further reduction would be welcome.

The Home Board of Management are appreciative of the fact that the reductions to employees have been accepted in good spirit, each individual co-operating in every way to assist in reducing the operating expense of the Home and maintain a high standard, for which the membership may feel justly proud.

The farm property was rented the past year, only land that was required for garden purposes being reserved, some 15 acres, which was planted to a great variety of vegetables, of which we had a large quantity and good quality crop. The fruit and

vegetables canned at the Home this season, with the donations of similar canned goods from the Lodges over the jurisdiction, will in no small measure assist in reducing the amount required by purchase to provide the supply of canned goods for the Home the coming year. During the growing season the Home was well supplied with vegetables from the garden, which otherwise would be purchased on the market. The Home Board of Management and the Superintendent of the Home are very grateful for the co-operation received from many of the men in the Home, who have worked so faithful in the garden, among the flowers and keeping the lawn and grounds about the Home and cottage in such fine condition.

There has been few repairs or improvements at the Home the past year because of lack of funds and a demand for a reduction in operating expense. Such items will no doubt need attention in the near future, if the property is to be kept in good condition, but under the present financial conditions we are unable to have a workable and set program for this report.

With the membership of the Home at an average of 133 per month for the year, health conditions have been very good, when you take in consideration the ages and many ailments of the members that are cared for at the Home. They receive the best of care and attention night and day by a competent physician and staff of nurses, which, in a majority of the cases is necessary to relieve the suffering of the aged members.

It has been our experience the past year to find that some of the Lodges are very anxious to shift the responsibility for the care of a member, who by reason of unemployment, age or infirmity is unable to earn a livelihood. The first thought is to make application for admission to the Home. After the proper investigation many of the applications are accepted on vacancy and in the regular line of being accepted and placed upon the waiting list, to be called when he or she, as the case may be, can be cared for at the Home, but some of our members forget that there are many Lodges in the jurisdiction that are making the same request for a member and demand that their case be considered ahead of all and admit a member, no matter what the conditions at the Home may be, then, after being admitted by the regular course to the Home, upon due notice of a death of a member, followed up by a letter requesting the \$50 burial expense, which the Home has to pay when a member is buried at the Home Cemetery a reply is received in many cases that they have no funds and are unable to meet their obligation, that the Lodge accepts when making application. There are a num-

ber of such accounts unpaid and we request that the Lodges that owe the Home for burials, try and remit at an early date.

Under the conditions stated above, the Home Board of Management adopted a rule that before an applicant accepted for vacancy in the Home could receive a certificate of admission, the Lodge to which a member holds membership, upon due notice from the Secretary of the Board, would be required to deposit \$50 for burial expense, the Secretary upon receipt of the deposit would then forward the proper certificate of admission, providing, however, that if a member leaves the Home voluntarily, is expelled or the body is taken away for burial without any expense to the Home, then the \$50 deposited shall be returned to the Lodge making such deposit. By this method only can we expect to keep accounts paid and the monthly allowance used for Home maintenance.

The demands upon the Home the past year have been many. In a majority of cases the demands have been legitimate, but in many cases requests for application should not have been made by the Lodge; some ineligible in many ways, others with funds and property and several with children that should care for their parents instead of thrusting the responsibility upon the fraternity, when we have so many aged members who do not have funds, relatives or homes. Such cases deserve the attention above, some that wish to pay their way into the Home or have some close relative willing and able to provide for the needy in times of distress.

Many Lodges and individual members have visited the Home during the year, holding picnics, entertainments and visiting about the grounds, to make a survey of the general conditions and to see what the Odd Fellows of Michigan are doing for the Home members. We have received many pleasing compliments, which were directed mostly to the Superintendent, Homer C. Carr and Matron Clara Carr, for the fine condition and appearance of things in general, in and about the Home. The Home Board of Management feel highly complimented on our choice for Superintendent and Matron, when we hear the many good reports that come to us regarding the administration of the affairs at the Home.

During the month of June the regular memorial services conducted for our deceased members, were held at the Home, Judge Henry S. Sweeny, P. G. M., delivering the address of the day to a large gathering from several sections of the State. The graves of all departed members, buried in the Home cemetery, were decorated with flowers with the assistance of members from the branches of the Order represented and for such service and

co-operation we wish to express our sincere appreciation to all that participated in the program and services.

We were confronted with the problem, no funds, during the month of December, 1931, so it became necessary for the President and the Secretary of the Home Board to make a personal loan of \$3,500 (without interest) to maintain the Home until such time as the reports and per capita tax were received by the Grand Secretary. From the fact that our laws do not provide for such loans in times of emergency, we therefore recommend and urge that an amendment to the law be adopted, authorizing the Home Board of Management or the Executive Committee of the Grand Lodge to make such loans as may be necessary to operate the Home under like circumstances. Without such authority and under similar conditions as stated above, a loan by members of the Home Board would become personal and in such a case, the Grand Lodge would have only a moral and not a legal obligation.

The Home Board of Management wishes to express their appreciation to the Superintendent and Matron, Brother Homer C. Carr and Sister Clara Carr, for their loyal co-operation and successful administration of affairs at the Home the past year; to the Grand Master, Thomas D. Dow, for his interest in the Home; to the President of the Rebekah Assembly, Carrie Blanchard, for her efforts and enthusiasm manifest during her term of office; to the lodges and members for the donations and gifts received at the Home; to the Grand Lodge, Rebekah Assembly, Encampment, Cantons, and all past officers of the several branches of the Order, for the support and co-operation received; to the Home Family, employes, and the entire membership of the jurisdiction for the active support that was liberally given to assist in providing the necessities of life for the members of the Home family.

In reading over the Home report for the past year you will note that there has been considerable saving made in the operating expense, which we are pleased to report, but with our finances at a low figure and with a loss in membership reported, it will be necessary that the Home Tax of 70c be levied on subordinate members and an increase over 1931 tax for Rebekah members, per year, which shall be payable as provided by law.

Fraternally yours,

THE HOME BOARD OF MANAGEMENT.

WILLIAM FORD, President.

LIZZIE H. PALMER, Vice-President.

H. EUGENE HANSON, Secretary.

LEGACY TO THE HOME

Sister Emily Willis, a member of Eastern Rebekah Lodge, of Detroit, left a will at her death bequeathing to the Odd Fellows Home, Two Thousand (\$2,000.00) Dollars. One thousand to be used for the hospital and one thousand for furnishings in the Home.

Four hundred dollars has been paid. Two hundred by the Detroit Trust Company and two hundred by Eastern Rebekah Lodge, through which Lodge the bequest was made.

CONCLUSION

From the fact that the members of the Home Board of Management have made a joint report of the conditions at the Home, it would be a repetition of the subjects should I make mention of them in the conclusion of this report.

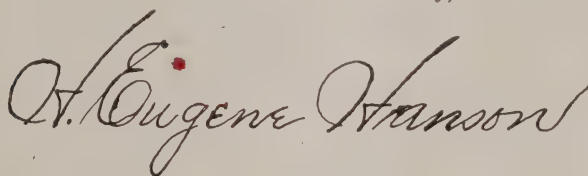

The Home Board has, however, heard several reports during the year regarding our action on applications, regulating the conduct of members and the employment of help required to perform the many duties of the Home. As Odd Fellows and Rebekahs, would it not present a more fraternal spirit if you would ascertain the truth and veracity of a statement being circulated, rather than criticize and condemn the action taken on any matter that is the duty of the Home Board of Management in the operation of the Home.

During the past few weeks the supply of applications became exhausted, which has required that a new form be drafted and printed, but, with the large number of applications standing out and with the list of applicants to be admitted to the Home on vacancy, there is very little encouragement for a lodge or member, to make request for an application at this time, as it will be several months before there will be any noticeable reduction in the number of members waiting to be admitted to the Home.

The Home Board of Management has a limited amount of funds to maintain the Home and with a thought in mind to relieve the conditions, I wish to suggest that the Lodges discourage any further requests for applications until such time as the Home Board will be able to reduce the waiting list to a point where applicants would not be required to wait several months before admittance to the Home. The co-operation of the Lodges and membership to that end will be appreciated.

In conclusion I wish to express my appreciation to the membership of Michigan for the honor and privilege of representing the jurisdiction as a member of the Home Board of Management and I trust that my services have been such as to reflect credit in the administration of affairs during my term of office. To my associates of the Home Board and the Superintendent and Matron of the Home, I can only speak kind words of our associations in the administration of the affairs at the Home.

Sincerely and fraternally,

A handwritten signature in cursive script that reads "H. Eugene Hanson". The signature is written in dark ink on a light-colored background. There is a small red dot above the letter "E" in "Eugene".

Secretary.
